Credit, Cancellation, and Financial Policies

If you have insurance, your estimated financial responsibility will be assessed at the time of check-in and payment will be collected accordingly. It is important for you to understand that your insurance contract is between you and your insurance carrier. We do ask, however, that required co-payments, or uninsured amounts are paid at the time that the services are rendered.

Uninsured, established patients are expected to pay for the services in full at the time of their appointment. The Physical Therapy Evaluation is \$150.00 and follow up appointments are \$100.00 per visit after the initial evaluation. Appointments with Dr. Brown are \$115.00 for initial visits and follow up appointments. Massage rates are \$45.00 for thirty minutes or \$80.00 for sixty minutes; additional times and rates for massage are available upon request. We accept payments made by cash, personal check, credit and bank debit card.

If you must cancel an appointment, we request that you do so **24** hours prior to the appointment so we may offer that appointment time to a patient on our waiting list. Failure to cancel an appointment without 24 hours notice could result in a **\$40.00** late cancellation charge. Patients that no-show for their scheduled appointments will be subject to a **\$40.00 no-show charge**.

If failure to comply with appointment times that are scheduled by the patient, of 3 late cancelled appointments, 3 no show appointments or an accumulation of both these may result in a discharge from our Physical Therapy clinic.

If you are a worker's compensation patient or auto accident patient, your insurance adjuster will be notified of all cancelled and no-show appointments.

Thank you for your understanding and cooperation.
